Dear Howie:

You may be interested in knowing that we are sending a special Christmas Carol service to the New England FM Network this Tuesday at 8:15. This is an annual service and we have broadcast it for several years now. I believe that you have an arrangement with the network, much as we do, in which case you can get the program from its outlet nearest you.

Since I am a bit new in my job and have heard little beside your letter of the 16th on the subject, I'd appreciate your giving me the full story on the Monsanto deal.

Sorry, incidentally, that you were not informed of the Messiah. We sent that, too, and it went very nicely. But we'll keep you informed in the future.

Sincerely,

Rog Milkman

Dear Sir:

The new program is being started in a series of steps. The first step is to get the program started in the Washington area. This is being done by having a series of broadcasts from the Washington area to the other areas. The second step is to get the program started in the other areas. This is being done by having a series of broadcasts from the other areas to the Washington area. The third step is to get the program started in the other areas. This is being done by having a series of broadcasts from the other areas to the Washington area.

Since the program is being started in a series of steps, it is important that you keep us informed of the progress of the program. Please let us know when you have started the program in your area. We will be glad to help you in any way we can.

Very truly yours,
Director

Sincerely,

Director
